---

The briefing period for the Filter Recycling Services, Inc. permit appeal is being reopened.  
The briefing period will commence on Thursday, January 5, 2006 and will end on Monday, February 6, 2006.

The California Department of Toxic Substances Control (DTSC) received a petition of appeal from the Toxic Assessment Group (TAG) for a final permit decision issued to Filter Recycling Services, Inc. (FRS). DTSC has issued Order Number HWCA 04/05-P001, to set a briefing schedule for the appeal of the final permit decision issued by DTSC on December 17, 2001. The permit issued to FRS is for its hazardous waste storage, treatment and transfer facility located at 180 West Monte Avenue, Rialto, California.

DTSC invites any interested person to submit written arguments pertaining to issues one through three raised in TAG's petition for review as set forth in Order Number HWCA 04/05-P001. Written arguments must be restricted to these issues only and must include a supporting statement of reasons. All arguments must be in writing, postmarked by February 6, 2006 and must be mailed to:

Mr. Watson Gin  
Deputy Director  
Hazardous Waste Management Program  
Department of Toxic Substances Control  
P. O. Box 806  
Sacramento, CA 95812-0806

DTSC will not accept arguments which fail to meet the content and filing requirements specified above.

If you would like to speak with a DTSC representative regarding this permit appeal, you may contact:

Mr. Ed Nieto, P.E.  
Regulatory and Program Development Division  
Hazardous Waste Management Program  
Department of Toxic Substances Control
